I agree to be completely responsible for the shipping tank and will return it to AHOW promptly via Fed Ex. A security deposit of \$1300.00 is required to cover the cost of the shipping tank and cover. Further, should there be any loss or damage to the tank or case, I agree to be responsible for actual replacement cost and authorize these charges to the credit card number above. If the breeding is cancelled after the process of semen retrieval and charging of the tank has begun, a fee will be charged to cover the cost of labor and nitrogen. If a breeding has been cancelled after the semen has been shipped, all charges will still be in effect.
