

## **Whelping Supplies**

Here is a list of supplies you need to have ready. Most of these items you will already have in your homes, so there are only a few things to purchase.

- Dental floss
- Bulb syringe or DeLee Mucus trap
- Iodine solution
- Towels (warm) and paper towels
- Postal/food scale
- Hemostat/clamp
- Latex gloves
- Flashlight
- Emergency phone numbers
- Vanilla ice cream!
- Notebook and pen
- Can of commercial puppy formula, syringe, feeding tube
- Thermometer

Also need to keep the following ready in case you run into problems and need an unforeseen emergency C-section in the middle of the night:

- Car plug electricity adaptor plugged into the cigarette lighter
- Cooler, lined basket, or box to transport puppies
- Crate for the bitch
